

Ten Little Fingers  
Anonymous

P: I've got 10 little fingers

O: And they all belong to me.

P: I can make them do things,

O: Would you like to see?

P: I can shut them up tight

O: Or open them wide.

P: I can put them together

O: Or make them all hide.

P: I can make them jump high

O: Or make them go low.

P: I can fold them up quietly

B: And sit just so.
